I, **GUSTAVO ENRIQUE HERRERA RAMIREZ**, a Venezuelan citizen, of legal age, domiciled in the city of Caracas, and holder of I.D. Document No. **V-4.772.671**, hereby state: "That I am a Commercial Pilot and since 1983 I have been and am currently employed as the Pilot and Captain of Petróleos de Venezuela S.A., (PDVSA) aircrafts. On December 17, 2003, I was the pilot of the aircraft with the following characteristics: Registration No. YV-450CP, Serial No. 219, from Simón Bolívar de Maiquetía International Airport in Venezuela (the airport closest to the city of Caracas), headed for Dulles International Airport (one of the airports closest to the city of Washington D.C.) and returning on December 19, 2003, from Dulles International Airport to Simón Bolívar de Maiquetía International Airport. My responsibilities as Pilot and Captain are to maintain the flight log for each trip, recording specific details for each flight, such as the time of takeoff and landing, which is recorded in GMT time (Greenwich Mean Time) for flights to the United States of America, the flight time and the number of passengers. I have attached photocopies of the Flight Log for December 17 and 19, 2003, identified as Annexes "A" and "B", respectively. Furthermore, as Pilot and Captain of the aircraft, I am the one responsible for filling out and presenting to the Venezuelan immigration authorities the corresponding "General Declaration," which includes the complete names of the crew, their identification and license numbers, the complete names of passengers and their identification numbers, the place of departure and the first port of entry into the destination country (international airport of Fort Lauderdale, Florida), which is required by the customs and immigration authorities of the United States of America,

identified as Annex "C" dated December 17, 2003, duly certified by the immigration authorities of the Bolivarian Republic of Venezuela. In addition, I have attached to this declaration a photocopy of the Flight Plan, which is a document prepared by PDVSA for each trip, which includes information related to the plane, the date of departure and arrival, the departure and arrival airports and the estimated departure and arrival times of the flight. In addition the Flight Plan includes the "Passenger Manifest," which identifies in detail the name of each of the passengers traveling to Dulles International Airport and returning to Simón Bolívar de Maiquetía International Airport, prepared by the crew for the trip to Washington D.C., from December 17 through 19, 2003, identified as Annex "D." According to the Flight Log, on December 17, 2003, the aircraft owned by PDVSA, No. YV450CP, took off from Simón Bolívar de Maiquetía International Airport at 22:11 hours GMT and 18:11 Venezuelan time, as is shown by Annex "A" to this declaration. It should be noted that the aircraft in question was boarded by five (5) passengers (Annexes "A", "C" and "D"). We subsequently made a stop at one of the first points of entry into the United States of America, specifically at the international airport of Fort Lauderdale, Florida, which is required by United States customs and immigration authorities (Annexes "A", "C" and "D"), and we then continued on to our final destination of Washington D.C., and we arrived at Dulles International Airport (Annexes "A" and "D"). On December 19, 2003, the same crew and passengers took off from Dulles International Airport at 19:24 hours GMT and 14:24 local time at the departure airport, landing at Simón Bolívar de Maiquetía International Airport at 23:41 hours GMT and 19:41 Venezuelan time (Annexes "B" and "D").

By virtue of this declaration, I request that the Notary publicly witness the narrative of the foregoing facts and attach hereto the appendices indicated below, so that they may be considered an integral part hereof:

- 1) Annex "A": Flight Log dated December 17, 2003.
  - 2) Annex "B": Flight Log dated December 19, 2003.
  - 3) Annex "C": Declaration presented to the immigration authorities of the Bolivarian Republic of Venezuela, dated December 17, 2003 (General Declaration).
  - 4) Annex "D": Flight Plan and Passenger Manifest. All of the foregoing is in accordance with the provisions of Article 74, No. 1, of the current Public Registry and Notary Act in effect.
- In Caracas, on the date of its authentication.
